	Creator God, creating still, by will and word and deed, create a new humanity to meet the present need.
	Redeemer God, redeeming still, with overflowing grace, pour out your love on us, through us, make this a holy place.
	Sustainer God, sustaining still, with strength for every day, Empower us now to do your will. Correct us when we stray.
	Great Trinity, for this new day we need your presence still. Create, redeem, sustain us now to do your work and will.
